

## HÄSSELBY GÅRD METRO STATION

---

Renovation and refurbishment of the entrance hall and staff facilities at metro station Hässelby gård in Stockholm. Walls and ceilings are lined with green, enameled and perforated plates that are illuminated from behind. An artwork by Pia Törnell is integrated into the panels on one of the walls. Two new skylights let in natural light on the entrance surface.

Client: Stockholm Public Transport  
Year: 2010-2012  
Location: Hässelby gård
